Our Spaces

THE HALL AND TURF COMBO

(Sits about 90 guests inside and 120 outside. Total 220 guests)

The Hall and Turf combo allows guests to replicate the warm, intimate ambience of a personal home without the hassle of setting up and cleaning up after an elaborate party; guests enter an elegant interior reception space and flow in and out into a private, manicured garden space.

The fully air-conditioned Hall is elegantly designed with a mirrored wall ideal for taking selfies. An ensuite room makes quick changes a breeze, or can simply be used for storing gifts. A kitchen is available for finishing and serving foods.

Outside, the enclosed turfed garden is adorned with potted plants, fitted with ladies' and gents' restrooms, sockets to power electric gadgets and equipment, and several points of running water.

The Hall and Turf combo is ideal for all kinds of receptions: weddings, lovers' nights, birthdays, showers, children's parties, and all kinds of creative events and get-togethers such as pop-up exhibitions, corporate retreats, and team bonding events.

The Hall and Turf come with all the additional facilities listed further down.
